Too Soon to Know

Kyle Fischer

It's too soon to know if I can forget her
My heart's been broken in too many pieces
And it's too soon to know
Time passes slow, will I ever know
If I can forget her and not let it show
But it's too soon to know
News travels fast when a love affair ends

People keep asking what happened to them
But it's too soon to know it I can forget her
My heart's been broken in too many pieces
And it's too soon to know
My heart's been broken in too many pieces
And it's too soon to know
