

# Sadman

## Metatronik

know there is  
It all away  
It all goes round  
The house today  
The reason why  
You're leasing time  
The sadman calls  
He calls for you  
The [need to be]  
The sadman calls  
He calls for you  
The things you say  
The songs that shine  
For all the time  
I count the ways  
Your smile [the place]  
The sadman calls  
He calls for you  
You hurt my feelings, [you needed me]  
The sadman  
He for you
