

# When You Grow Up

Priscilla Ahn

When you were young enough  
Doing all that fun kid stuff  
Did you think of what you'd be?

Marco polo in the pool  
Kickball games behind the school  
Playing tag and hide 'n seek

When you grow up, what kind of boy will you be?  
Oh, what will you be?

Drawing pictures with some chalk  
Raindrops wash it from the walk  
Summer days it never ends

Spin the bottle on the ground  
Watch it turning round and round  
Maybe he will be my friend

When you grow up, what kind of girl will you be?  
Oh, what will you be?

Will you write a book or invent a machine?  
Will you be an astronaut or will you sail the sea?

(What will I be when I grow up?) La la, la la, la la, la la  
(What will I be when I grow up?) La la, la la, la la, la la la la  
(What will I be when I grow up?) La la, la la, la la, la la  
(What will I be when I grow up?) La la, la la, la la, la

When you grow up, what kind of person will you be?  
Oh the things you'll be happy
