

# Cure For The Common Heartache

[Terri Clark](#)

This morning I'm aching all over  
Can't eat, can't sleep, can't rest  
Oh I need to go see a doctor  
For this achin' down deep in my chest Is there a cure  
For the common Heartache  
An unknown prescription  
Any loser can take  
I'd be the first to become addicted  
If there's a cure  
For the common heartache I know right where I got it  
This sickness that's got me laid up  
I don't have the strength now to fight it  
This old condition called love Is there a cure  
For the common Heartache  
An unknown prescription  
Any loser can take  
I'd be the first to become addicted  
If there's a cure  
For the common heartache
