Ho-Ho

The Birthday Party

Worn and gnawn
A little hole
Just a small hole
Letting in a sick wind
In a small puffsYo ho hole, yo ho hole
Through which blow
A small sick wind
Yo ho hole, yo ho hole
Puff puff, the sick wind blowsSlipping stitches leading to
So slight a hole
Slipping in a sick wind
Slippery sickly windYo ho hole, yo ho hole
Through which blow
A small sick wind
Yo ho hole, yo ho hole
Puff puff, the sick wind blows
