

# Into Glory Ride (Live - Poland 1995)

## Unleashed

Once upon  
An evil time  
Up in the north  
Mighty men  
Fought and died  
By the sword  
...Onward into glory ride  
Into battle  
Sign of the hammer  
Be my guide  
Standing proud  
In victory  
Into glory ride  
...Onward into glory ride  
To Birka we sail  
(Birch Island)  
And celebrate  
Hail Thor  
And the fallen  
Join with Odin  
At slain hall  
(Valhalla)  
...Onward into glory ride
