# Love Into The Light

## Ke$ha

I know Iâ€™m not perfect
I know I got issues
I know Iâ€™ve got a sordid past
And, yeah, some mad tattoos

Iâ€™m not a model
Iâ€™m not a saint
Iâ€™m sorry but I am
Just not sorry
â€˜Cause I swear and
â€˜Cause I drink

Maybe itâ€™s about the time
To let all of the love
Back in the light
Maybe itâ€™s about the perfect place
To let go and forget
About the hate

Love into the light

I know weâ€™re all different
Baby, thatâ€™s life
But all of these differences
They make me feel alive

And Iâ€™ve got this question, yeah
Been burning through my head
Canâ€™t we all get over ourselves
And just stop talkinâ€™ shit?

Maybe itâ€™s about the time
To let all of the love
Back in the light
Maybe itâ€™s about the perfect place
To let go and forget
About the hate

Love into the light

All of the shit talk
Yeah, all the chatter
Cuts like a knife
Yeah, kills like a dagger

Love into the light

All that I am, yeah
All that Iâ€™m after
Love in this life
Itâ€™s all really matters

Love into the light

Maybe itâ€™s about the time
To let all of the love
Back in the light
Maybe itâ€™s about the perfect place
To let go and forget
About the hate

Love into the light

All of the shit talk
Yeah, all the chatter
Cuts like a knife
Yeah, kills like a dagger

Love into the light

All that I am, yeah
All that Iâ€™m after
Love in this life
Itâ€™s all really matters

Love into the light
Love into the light
Love into the light
Love into the light
