

Electrobotic

Pyro Fighter

Kill those lights!

Pump that beat!

Make you bounce!

Won't stop me!Remix that track and push to play. Pump that beat.

Reach out and touch me say my name. Won't stop me.Don't stop, stop till you drop.

You got it, got it.

Keep feeling the shock ELECTROBOTIC.Drop that hook!

Feel that heat!

Checka-checka-checka-check me out, I know, you know, I'm so Pyro!

Won't stop me!Remix that track and push to play. Pump that beat.

Reach out and touch me say my name. Won't stop me.Don't stop, stop till you drop.

You got it, got it.

Keep feeling the shock ELECTROBOTIC.
