

# Intervals

## Worldwide Harmonics

Once the mind is calm, once the ego is quailed  
Travel in the realm of which there is no sign  
Hold your thoughts to the present, the present  
Personally realize The infinite of being  
Inner peace brings about  
Harmony with the times  
Hold your thoughts to the present, the present Become one with the dusty world  
Hold your thoughts to the present  
Pacify, realize the infinite Become one with the dusty world  
Hold your thoughts to the present  
Pacify, realize the infinite
