## Tacocat

how many times can this happen to me  
when i've got places to go and i've got people to see  
you stand me up  
you let me down  
how am i supposed to get myself across town  
i'll give you my nickles and dimes  
if i only thought that you were gonna be there on time  
la la la  
my nickles and dimes  
well i could stand here wastin' my day  
you're a half an hour late and you're still makin' me pay  
you stand me up  
you let me down  
how am i supposed to get myself across town  
i'll give you my nickles and dimes  
if i only thought that you were gonna be there on time  
la la la  
my nickles and dimes  
i'll give you my nickles and dimes  
if i only thought that you were gonna be there on time  
la la la  
my nickles and dimes  
i think i've been stood up  
are you ever gonna come and pick me up  
just standin' here wastin' my day  
you're a half an hour late and you're still makin' me pay  
i think i've been stood up  
well are you ever gonna come and pick me up
