

Holy

Curt Anderson

Will you come, Lord, like you've promised
To fix a world that's come undone
To flood creation with your justice
And fill this universe with love You are holy
You are holy

With all my heart I'll sing your songs Of mercy and your love for me Bring my life into perfection
Shine your light and make me pure
Rescue me from my infection
Mercy is your healing cure You are holy
You are holy

With all my heart I'll sing your songs
Of mercy and your love for me So let your light shine into the darkness
Calling all of creation to Christ
Let your kingdom come
Let your will be done You are holy
You are holy You are holy
You are holy

With all my heart I'll sing your songs
Of mercy and your love for me
