

Love You For Always

Mandy Moore

One, two, three, four
One, two, three, four Boy, I wanna be where you are
Don't matter if you're near or you're far
You fill up my heart all the way to the top
And it's you I'm lovin' for always Catch me, I'm a shooting star
Make a wish, close your eyes, cross your heart
Your love is so rare
And I'm glad that you're here in my arms
I'll love you for always Dreamin' of you tonight
Prayin' that you will be mine
Hopin' you'll be holding me tight
Never ever letting me go
I need you to know One, two, three, four You came into my life
Made everything go right
So sweet and tenderly
Unlock the love, you've got the key Ooh, I'm so satisfied
This kind of love I just can't hide
I'm gonna love you for always
I'm gonna love you
(Love you, love you, love you)
(Love you, love you, yeah) Took my heart for a carousel ride
Made me feel brand new inside
When I'm with you
All that I seem to do is smile
I love you for always Boy, I'm floating on a cloud
Wanna scream and shout it out loud
I found amazing grace in your eyes and your face
I'm in love with you for always Dreamin' of you tonight
Prayin' that you will be mine
Hopin' you'll be holding me tight
Never ever letting me go
I need you to know One, two, three, four You came into my life
Made everything go right
So sweet and tenderly
Unlock the love, you've got the key Ooh, I'm so satisfied
This kind of love I just can't hide
I'm gonna love you for always
I'm gonna love you for always
I'm gonna love you for always, it's true

I'm gonna love you for always
I'm gonna love you for always, for always
