Day By Day

JiYeon (T-Ara)

One day, I found a love
Offering peace unto my soul
I been so happy ever since that day
Nothing but joy unspeakable
And I know that it came from above
And I'll let it show
And I'll let it go
Take it everywhere I go
Day by day
I'm going to keep Your spirit in my heart
And even if the world grows cold
I know Your love for me will never part
Sometimes, I feel so inspired
And other times I just wanna give up
That's when I feel Your presence
Giving me confidence and trust
And I know that it come from above
And I'll let it show
And I'll let go
Take it everywhere I go
Day by day
I'm going to keep Your spirit in my heart
And even if the world grows cold
I know Your love for me will never part
I'm glad I found Your love
(It's unconditional and it's unconditional)
And I'll never let it go
(Let it go, let it go)
I know that it came from above
And I'll let it show
And I'll let it go
Take it everywhere I go
Day by day
I'm going to keep Your spirit in my heart
And even if the world grows cold
I know Your love for me will never part
Day by day
I'm going to keep Your spirit in my heart
And even if the world grows cold

I know Your love for me will never part
Day by day
I'm going to keep Your spirit in my heart
And even if the world grows cold
I know Your love for me will never part
