

Big Timer

Kevin Rudolf

I thought I told y'all I was livin' like that
So high, I could never go back
And what if I didn't put it all on the line
To be a big timer, to be a big timer? Just a little boy with bigger dreams
In a world where nothing's ever what it seems
Had to find a way so I played guitar
But I never knew if I would make it far Now I'm rockin' shows and droppin' beats
Goin' places that I was told were outta reach
Like a rocket ship to outer space
To anybody that doubted me, I'm on my way I thought I told y'all I was livin' like that
So high, I could never go back
And what if I didn't put it all on the line
To be a big timer? I told y'all I was livin' like that
So high, I could never go back
And what if I didn't put it all on the line?
To be a big timer, yeah, to be a big timer? Now I know what I'm supposed to do
Turn around and give it all to you
Just take a ride, say goodbye
Now's the time to leave it all behind But I'll never change, I'm bettin' everythin'
Yeah, the town I'm livin' my life
'Cause I just gotta get it, just gotta get it
If I make it through the night I thought I told y'all I was livin' like that
So high, I could never go back
And what if I didn't put it all on the line
To be a big timer? I told y'all I was livin' like that
So high, I could never go back
And what if I didn't put it all on the line
To be a big timer? (Whoa-oh, oh, oh, oh)
Will I ever find my way?
(Whoa-oh, oh, oh, oh)
And make it to a better place I thought I told y'all I was livin' like that
So high, I could never go back
And what if I didn't put it all on the line
To be a big timer? I told y'all I was livin' like that
So high, I could never go back
And what if I didn't put it all on the line
To be a big timer? Big timer, big timer
Big timer, big timer
(Whoa-oh, oh, oh)

Big timer, big timer, big timerTake a ride, say goodbye
Now's the time to leave it all behind
