

Dead Souls

Nine Inch Nails

Someone take these dreams away
That point me to another day
A duel of personalities
That stretch all true reality They keep calling me
They keep calling me
Keep on calling me
They keep calling me The figures from the past stand tall
And mocking voices ring the hall
Imperialistic house of prayer
Conquistadors who took their share They keep calling me
Keep on calling me
They keep calling me
Keeps on calling me Calling me, calling me
Calling me, calling me They keep calling me
Keep on calling me
They keep calling me
Keeps on calling me They keep calling me
Keep on calling me
They keep calling me
Keeps on calling me, yeah
