Temporary Love Thing

Full Force

ho oooooh yeah, yeah,...
AlrightOnce upon a time I was happy and so satisfied
I never thought about loving another
but i'm only human and oh I get so lonely
passion starts to unfoldso...if you can't be with the one you love
they say
you got to love the one your with
welll am i moving to fast
just the same
a baby what's your name
I think i want to know you
cause darlin I just can't waite no more
nooo
ain't nothing wrong with a temporary love thing
in one night
i can love you forever
ooh
nothings wrong with a temporary love thing
can't you see i want you
just for meIm so tired
of giving up all my precious time
to a rhythm
that's got no rhyme
Seeking everlasting love
in all the wrong places
much to my surprise
living
was you
and never before has passion taken over me
and i don't really know you
whats the same
baby what's your name
and please give me your number
cause on the lonley nights i'll give you a ring
