

# Is You Is Or Is You Ain't My Baby

[Renee Olstead](#)

Oh, I got a man that's always late  
Any time we have a date  
But I love him  
Yes I love him So I'm gonna walk up to his gate  
See if I can get it straight  
Cause I want him  
Yeah I can't help it  
I'll just ask him  
Is you is or is you ain't my baby  
Well, the way you're acting lately, well it makes me doubt  
You were still my baby, baby  
But it seems like my flame in your heart, well it's just gone out A man is a creature  
That has always been strange  
Just when you're sure of one  
You'll find that he's gone and made a change Is you is or is you ain't my baby  
Well, maybe my baby found somebody new  
Or is my baby still my baby too
