When You Touch Me

But bad news and paying dues leaves space for everyoneAnd I feel free when you touch me
I feel free when you touch me
I feel free when you touch me
Never ever felt this highI can feel it baby I can feel it
And it's taking my mind away
My knees are knocking
My head is rocking
My heart's been shaking all the way
When you touch meNow you're up inside the dark clouds
And the sunshine being there
Relax and let the sparkle in
To hide you from the wearAnd water tangled gardens that are hidden in your hair
And water tangled gardens that are hidden in your hairAnd I feel free when you touch me
I feel free when you touch me
I feel free when you touch me
Never ever felt this highI can feel it baby I can feel it
And it's taking my mind away
My knees are knocking
My head is rocking
My heart's been shaking all the way
When you touch meMy my my my my my
I can feel it I can feel it
And it's taking my mind way
My knees are knocking
My head is rocking
My heart's been shaking all the way
When you touch meMy my my my my my...
