Live like your driving me crazy
you tell me it ain?t real
but its my biggest fear

Its about that time
time for me to unwind
you can break it down on the dance floor

I saw love coming from a far
it fell down helplessly
started speak to my heart
but it was unclear to see
it spoke of a journey to sun
and the sun said ?come seek thee?

but the message was far too strong
and the sun started dying
Live like your driving me crazy
you tell me it ain?t real
but its my biggest fear

your not here
Wake from my dreams and your not here

Its about that time
time for me to unwind
you can break it down on the dance floor

I saw love coming from a far
it fell down helplessly
started speak to my heart
but it was unclear to see
it spoke of a journey to sun
and the sun said ?come seek thee?
but the message was far too strong
and the sun started dying

yeah your burning up
everybody knows

its about that time
time for me to unwind
baby break it down on the dancefloor

Started speaking to my heart
but it wasn?t clear to see

spoke of a journey to the sun
