

That Girl

Jessica Mauboy

[chorus] You might be thinkin thinkin
maybe maybe i'm just like that girl
ooh
and just because i'm with you doesnt mean that
i should be that girl
oohhh
ohh oh oh oh oh oh yea [repeat]I dont think you really know
what it is you want from me
baby all you ever do is trying to control something make believe
so you buy me things you think i like
but nothing ever fits me right
do you confuse me with somebody cuz
i'm just not that typepre chorus
she must of hurt you so bad
can't seem to let her go
cuz even though you could be holding me
i know you would rather be with her
that girl must be amazing
stops you from moving on
no matter how many times i try and try to tell you
how this makes me feel[chrous]
You might be thinkin thinkin
maybe maybe i'm just like that girl
ooh
and just because i'm with you doesnt mean that
i should be that girl
oohhh
ohh oh oh oh oh oh
ohh oh oh oh oh oh yea[repeat]I gotta tell you make me crazy crazy
the way that you try to change me how
you expect me talking, acting doing things that ain't me
when you decide your ready to love me just for who i am then maybe
maybe i can think about it [think about it]pre chorus
she must of hurt you so bad
can't seem to let her go
cuz even though you could be holding me
i know you would rather be with her
that girl must be amazing
stops you from moving on

no matter how many times i try and try to tell you
how this makes me feel[chrous]
You might be thinkin thinkin
maybe maybe i'm just like that girl
ooh
and just because i'm with you doesnt mean that
i should be that girl
oohhh
ohh oh oh oh oh oh yea [repeat]you might be thinkin thinkin maybe maybe I should be that girl oh
and just because i'm with you.... i should be that giiiiiiirlllllll[high note][chrous]
You might be thinkin thinkin
