

# Pivotal Film

## Guided By Voices

Pivotal film  
Showing cloaks of rubber  
Digital relay  
Fingers stroking  
Like mechanical lover  
Critical rooms  
Transparent scenes shifting  
Pivotal film  
Selling out your monkey  
Sinful heroes  
Stabbing, choking  
(They must be joking)  
Like mechanical lover  
Critical rooms  
Transparent scenes shifting
