

That Ain't A Crime

[Julie Roberts](#)

I could go on out tonight and do anything I want
I can find someone to hold me
But I've got my reasons but reasons I don't
I know you're gone, I just can't move on
'Cause your memory is chained to my mind
That ain't a crime
I know I should forget you that you're no good for me
But that doesn't mean I don't want you
And my broken heart and my broken dreams
I know you're gone, I just can't move on
'Cause your memory is chained to my mind
That ain't a crime
I've tried and I've tried
I've cried and I've cried over you, over you
I know you're gone, I just can't move on
'Cause your memory is chained to my mind
It's there all the time, that ain't a crime
