That Ain't A Crime

Julie Roberts

I could go on out tonight and do anything I want I can find someone to hold me But I've got my reasons but reasons I don't I know you're gone, I just can't move on 'Cause your memory is chained to my mind That ain't a crime I know I should forget you that you're no good for me But that doesn't mean I don't want you And my broken heart and my broken dreams I know you're gone, I just can't move on 'Cause your memory is chained to my mind That ain't a crime I've tried and I've tried I've cried and I've cried over you, over you I know you're gone, I just can't move on 'Cause your memory is chained to my mind It's there all the time, that ain't a crime
