

Feel It (Don't Fight It)

Sam Cooke

Feel it

Feel it

Feel it

Feel itBaby when the band is playin'

And that solid beat

Make you wanna move, make you wanna groove

Make you wanna pat your feet

Don't fight it, don't fight it, feel itOh now, when we dance close together

With your cheek close to mine

And you begin to feel a funny little thrill

Moving up your spine

Don't fight it, don't fight it, feel itOh now, baby when the swingin' music

Make you wanna flip

Don't be in pain tryin' to restrain

Go ahead and move your hipsOh baby when you're dancin' near me

And I feel I wanna tease

Oh and when I do, the feeling gets you

And you feel you wanna squeeze

Don't fight it, don't fight it, just feel it

Feel it

Feel it

Feel it

Feel it

Feel it

Feel itOh now, baby when the swingin' music

Make you wanna flip

Don't be in pain tryin' to restrain

Go ahead, shake them hipsOh baby when you're dancin' near me

And I feel I wanna tease

And when I do, the feeling gets you

And you feel you wanna squeeze

Don't fight it, don't fight it, just feel it
