

# Iâ€™ll Give You a Ring

Paul McCartney

you look a little lonely  
maybe I could meet you  
tell me where to reach you  
and I'll give you a ring I'll take you to the pictures  
i'll miss the second feature  
lord, I can't believe my eyes  
I must be dreaming give me your number, I'll give you a ring you look a little hungry  
maybe I could take you  
tell when to wake you up  
and I'll give you a ring  
i take you to the restaurant  
we're looking at the menu  
lord, I can't believe my eyes  
I must be dreaming give me your number, I'll give you a ring oh man  
I know I won't be lonely any more  
(won't be lonely any more)  
me and my phone  
I'm gonna call your home  
i won't be lonely any more  
(won't be lonely any more) you look a little lonely  
maybe I could meet you  
tell me where to reach you  
and I'll give you a ring  
i'll take you to the pictures  
miss the second feature  
lord, I can't believe my eyes  
I must be dreaming give me your number, I'll give you a ring  
give me your number, I'll give you a ring oh man  
I know I won't be lonely any more  
(won't be lonely any more)  
me and my phone  
I'm gonna call your home  
i won't be lonely any more  
(won't be lonely any more) you look a little sleepy  
wanna go to bed, dear?  
tell me can wed, dear  
i'll give you a ring take you to the chapel  
listen to the sermon  
lord, I can't believe my ears

I must be dreaming  
give me your number, I'll give you a ring  
give me your number, I'll give you a ring  
give me your number, I'll give you a ring
