

# Go Hard (Remix) (Ft. Jay-Z, Kanye West, & T-Pain)

## DJ Khaled

[Repeat: x4]

I think it's time for me to go hard as the hood I'm from I do it for the hood cause the hood told me I could  
If the they hatin' on you don't stress

Tell them niggas that we the best (Fuck nigga you can't stop this)

Fuck the best we run this game

Kanye West Khaled and Pain [Chorus]

If you could you would get rid of me

What you gonna do when a nigga got to go hard

But I won't let you get to me

You should already figure I'ma go hard

If you were as real as me

You would never let another nigga step in your yard

Makin' money ain't shit to me

This in my veins and it gets to my heart

So I am, I will, I gotta go

You got another way to live you gotta go on

I am gettin' it in until the end I got to go, go, go, go hard [Kanye West]

I go the hardest

Flow so retard

I'm disgusted with myself

I mean ugh were do I start

First I stand around and vomit

Then I shit up on it

Fuck the beat up so bad

Won't no body get up on it

I flow so sick

Nigga how sick

Sea sick

Got your hand out don't look at me bitch

You lookin' at who made me rich

You lookin' at who made me rich

I have some wins some losses

Just a life of a god damn boss's

With the top off lookin' for a girl with a ass as fat as Tracy Ross's

This is dope as is get

Dope as a mother fuckin' acid trip

Fly as 57 passenges

This finna' be another classic bitch

Everybody know I got if you want it then get at it

But I ain't goin' have it  
No I ain't goin' have it[Chorus][Kanye West]  
I ain't never been scared  
Never been a type to bite my words  
When I came up ya'll gave me shit  
Now I'm finna make ya'll eat them turds  
Always said what the fuck I felt  
Goin' head spit that murder I wrote  
Man I don't care what you felt fuck you nigga I know I'm dope  
Dope like I'm comin' to get my all  
Felt like I had to play the fly on the wall  
Felt like niggas was stuntin' on me  
Funny how I'm flyer then them all  
Now I'm at the top ain't know where to go now  
Instead of men she goin' go down  
Maybe I would of slowed down if I knew what I know now  
I'm Scooby I know I'm dumb  
It cud get fuckin' old but it's good I'm young  
But my heart get cold as the hood I'm from  
Tell me what it take to be number one  
I guess it's gon be what it's goin' be  
But here's one thing you got to hear  
I'm a tell you like George Bush told me  
Fuck yall niggas I'm out of here[Chorus][Repeat: x4]  
I think it's time for me to go hard as the hood I'm from I'm goin' in  
I'm goin' in I go hard, for the hood  
I go hard, for the streets  
I go hard for the ghetto  
Kanye West T-Pain DJ Khaled  
We the best  
We wont stop  
We cant stop  
We global![Chorus]
