

# I Promise You

## Selena Gomez & The Scene

I know,  
That my love for you is real.  
It's something true that we do just something natural that I feel  
When you walk in the room,  
When you're near  
I feel my heart skip a beat  
The whole world disappears  
Then there's just you and me, falling head over heels  
Let's take a chance together  
Chorus:  
I know, I know, I know, I know,  
We're gonna make it  
Cause no one else can make me feel the way that you do.  
I promise you  
I know, I know, I know, I know,  
We gonna get there  
Today, tomorrow, and forever we will stay true  
I promise you  
They say that "we're just too young"  
To know  
But I'm sure heart and soul that I'm never letting you go  
When it's right it's right and this is it ?  
Cause I'm walking on air every single time that we kiss  
You make the angels sing  
You give that songbird wings  
You make everything better  
I know, I know, I know, I know,  
We're gonna make it  
Cause no one else can make me feel the way that you do.  
I promise you  
I know, I know, I know, I know,  
We gonna get there  
Today, tomorrow, and forever we will stay true  
I promise you  
I'll never let you down,  
I'll always hear you out  
There is nothing you cannot confide  
You listen when I speak  
You make my knees go weak  
And I just want you to buy my side  
I know, I know, I know, I know,  
We're gonna make it  
Cause no one else can make me feel the way that you do.  
I promise you  
I know, I know, I know, I know,

We gonna get there  
Today, tomorrow, and forever we will stay true  
I promise you, we're gonna make it  
I promise you, yeah, yeah, yeah.  
I promise you
