

Pulling

Derik Nelson

Don't blink you might miss me
And that wouldn't be so good for either you or me
So look twice can i get three times
I hope to God you like my feeble pick up lines

Oh can I take you home we can dance alone
Oh can i take you home we can dance alone

I'm not just a hit and run one night stand
I'm carefully respecting go on test me and you'll see
You should I wish you would
I can't bare to lose seein' Hollywood shine her shoes

Oh can I take you home we can dance alone
Oh can I take you home we can dance alone ohh
We can dance alone

So once again I'm on my own
oooh oooh ohhh

You believe in my sensitive side though you've never really seen it
Well I'd trade my shot to sleep with you for a kiss that means you mean it

Oh can I take you home we can dance alone
Oh let me take you home we can dance alone
Ohhh hmmm yeah we can dance alone
We can dance alone
Oooooo...
