

# Remember Diana

Paul Anka

Everybody remembers Diana  
And just how much I loved her  
I wrote a song about her  
How wrong could I be

Oh, well, she went  
And found another  
(Found another love)  
She found another lover  
(Found another love)  
She didn't even bother  
(Found another love)  
To say goodbye to me

Things have changed  
She's found another  
Yes, things have changed  
She's found another lover  
Things have changed  
She didn't say goodbye  
Instead, she made me cry

Diana, I'll learn  
To live without her  
Yes, I'll forget about her  
Just wait and see

Things will change  
I'll find another lover  
Things will change  
I'll learn to live without her  
Things will change  
I'm gonna make her cry  
I'm gonna say goodbye to

Diana, I'll say goodbye forever  
And that I never, ever  
Remember Diana

Everybody remembers Diana

And just how much I loved her  
I wrote a song about her  
How wrong could I be

Oh, well, she went  
And found another  
(Found another love)  
She found another lover  
(Found another love)  
She didn't even bother  
(Found another love)  
To say goodbye to me
