

Busted

The Isley Brothers

Yeah, bring your ass over here
I got something for you
Busted, it's 2 o' damn clock in the morning where you been?
(Baby didn't you get my 2-way, I was with my girlfriend)
You a lie, I called Kiesha and Tanya and they were both at home
(But I didn't say them though)
Well they the only things I know, girl you better
(Wait before you get all upset, here's the truth)
Talk to me
(I was with my girl when she had some bad news)
Yeah
(Her man cheated)
Had her upset and confused but baby what's that got to do
With you coming in at 2?
(I'm telling you)
Now she was so upset she asked me to stay with her
Well why didn't your ass just pick up the phone and call me?
(I was gonna do that but it slipped my mind I'm sorry)
(But I'm telling you the truth)
Yeah, well I got something for you, tell me what's her name?
(Sharen)
Where she live? Her man's name?
(Billy)
She got kids?
(I think 1 or 2)
She got kids?
(Baby yes, no)
Here's one thing I got to know
How the hell is she your friend if you don't know if she got kids?
Go upstairs
(Busted)
Pack your bags
(Cause you busted)
While you at it
(Busted)
Call a cab
(Cause you busted)
It's obvious
(Busted)

You played around
('Cause you busted)
Go upstairs and get your shit
And get the fuck up out of here now
(Frank please here me out)
Ain't nothing to talk about
(I can explain everything)
Right now I want you out this house
(Baby please one more chance, let me tell you where I've been)
Well quit wasting my time and say what's on your mind
(Fine)
(Me and some girlfriends we went dancing)
Who?
(Me, Shaniqua, Shaquan and Robin)
Well if y'all were going shopping why didn't you just check in
(I was but then I thought my cellular was off)
Now earlier you said dancing
(Yeah)
But when I just asked you said shopping
Tell me which one you were doing
(Oh baby, I must be confused)
Yeah right, you real confused
Tell me where you been?
(Dancing)
Dancing where? The name of the club?
(Kisses)
What time it is?
(I think one or two)
What time it is?
(Three, four)
Here's one thing I got to know
At first you say dancing but now you say shopping
Go upstairs
(Busted)
Pack your bags
('Cause you busted)
While you at it
(Busted)
Call a cab
('Cause you busted)
It's obvious
(Busted)
You played around
('Cause you busted)
Go upstairs and get your shit

And get the fuck up out of here now
(Baby I'm a victim of circumstances)
Oh
(Why you don't believe I don't understand it
Trying to slick a can of oil who you think you fooling
Now get on out my face
(Baby)
Before I catch another case
(Wait)
Go upstairs
(Busted)
Pack your bags
(I don't wanna)
('Cause you busted)
While you at it
(Busted)
Call a cab
(A cab for what)
('Cause you busted)
It's obvious
(Busted)
You played around
(No I'm not)
('Cause you busted)
Go upstairs and get your shit
(No)
And get the fuck up out of here now
(No, innocent, innocent, innocent, I'm innocent)
No, you guilty, you guilty, you guilty, you guilty
(Oh now wait a minute, wait a minute, wait a minute, wait a minute)
Oh, go upstairs and get your shit
And get the fuck up out of here now
(Tell me, where am I suppose to go from here)
Frankly my dear, I don't give a damn
