I walk to where he's sitting
It's all salty salty
He knows It's good, it's real, it's pretty
It's all salty Timmy
It's all salty Timmy
It's all salty Timmy

He said Doe Doe Doe

Dared leave
We've burned the field completely
Ahhh... last light
I feel it's real, it's pretty
It's all salty Timmy
It's all salty Timmy
It's all salty Timmy

He said Doe Doe Doe
