## Magnets

Top this  
Da-da...  
Tripping

I walk to where he's sitting  
It's all salty salty  
He knows It's good, it's real, it's pretty  
It's all salty Timmy  
It's all salty Timmy  
It's all salty Timmy

He said Doe Doe Doe

Dared leave  
We've burned the field completely  
Ahhh... last light  
I feel it's real, it's pretty  
It's all salty Timmy  
It's all salty Timmy  
It's all salty Timmy

He said Doe Doe Doe
