In This Rubber Tomb

Mudhoney

I launched a rocket ship
deep into my brain. I am off exploring
Uncharted terrain. They saw I lost the picture.
Well I kept the frame. None of you really know
exactly where I am. I licked the god particle. Drank down dark matter. Fryed my inner fish.
Clicked my heels and made this wish. There's no place like home....
And I never ever wanna go home again. They locked my body up
in the rubber tumb. But deep inside my mind
I have infinite room. There's no lane for me
In the human race.So I'll just keep exploring
lost in space. I licked the god particle.Drank down dark matter. Fryed my inner fish. Clicked my heels and made this wish.There's no place like home....
And never ever wanna go home again.
