## Jackson 5

Skywriter  
Sweep your silver pen across the sky so high  
Skywriter  
Won't you write the biggest 'I love you' 'cross the sky  
She don't read the letters I write anymore  
Sorry I upset her but I wasn't sure  
Now I know I love her, I hope that she will see  
A message high above her that you write for me, yeah  
Skywriter  
Sweep your silver pen across the sky so high  
Skywriter  
Won't you write the biggest 'I love you' 'cross the sky  
Hey  
Hey, hey, hey  
Send a box of candles and flowers every day  
Still she wouldn't listen, her pride got in the way  
Now it's up to you, it won't fade away  
Write it on the Heavens, love will make it stay, yeah  
Skywriter  
Sweep your silver pen across the sky so high  
Skywriter  
Won't you write the biggest 'I love you' 'cross the sky  
So high, so high, so high  
So high, so high, so high, so high
