## Bando Jonez

All the rain keeps falling  
And these hoes keep calling  
UhAh, all these rain drops falling on my window  
Got me wishing that we did the things we didn't do  
And right now I wanna sex you baby  
Has anybody sexed you lately  
Got all these hoes calling asking me to come through  
(Asking me to come through)  
What they don't know  
Is it all just make me wanna call you, you  
You you you you you you you  
And ask you if I can sex you lady  
Can we do it until we both look crazy, crazyBaby you know I'm from Atlanta  
And they raised me like a pimp  
Raised me like a pimp, raised me like a pimp  
And there's a lot of girls out here  
And I could have all of them  
But I don't want none of them  
I only want one of themAll I wanna do is sex you baby  
I wanna know have you had any good sex lately lately latelyAll these rain drops falling on my window  
All the rain keeps falling and these hoes keep calling  
All these rain drops falling on my window  
Got me looking for my phone  
I wanna know can I sex you baby  
And have you had any good sex lately lately latelyBaby you know I'm from Atlanta  
And they raised me like a pimp  
Raised me like a pimp, raised me like a pimp  
And there's a lot of girls out here  
And I could have all of them  
But I don't want none of them  
I only want one of themAll I wanna do is sex you baby  
I wanna know have you had any good sex lately lately latelyHave you had any good sex lately  
Sex, have you had it  
Sex, good sex  
Sex, have you had it  
Sex, good sex  
Baby  
Baby, have you had any good sex lately  
Sex, have you had it

Sex, good sex
