Meanstreak

ACÏŸDC

I've been to the left, I've been to the right
I've found myself in abudhabi, just a mirage in the night
Been to the high, I've been to the low
And I've been to lots of places that I didn't wanna go
But I ain't see nothing to get me off my ass
And laughed at all the jokers wanting make me walk on glass
I could walk 'fore I could crawl
And I was meaner than a bad dog with his back against the wallAnimal, animal
Cannibal, cannibal
See 'em fall, see 'em fall
I'm the guy that they call -Meanstreak, I gotta meanstreak
Meanstreak, they call me meanstreakI just don't know who I wanna be
The count of monte cristo or the sheik of arabia
I've eaten rich, and I've eaten free
I'm the perfect culture vulture in the face of poverty
And I ain't met no one who told me I got class
They say never feed the animal, the boys got too much flash
I'm a guy they just can't teach
And I always kick the castle that's been built up on the beachAnimal, animal
Cannibal, cannibal
See 'em fall, see 'em fall
I'm the guy that they call -What's your name?Meanstreak
