Sally's Dance (feat. Cleo Panther)

Parov Stelar

So come on Hap Cats in the house
Shake your feet, and separate out
Move together, so come on Hap Cats
Move togetherNow she's the queen of style and stage
The girl got high energy
Sally, she's jumping up
Makin' all the cats in the bar stop
She's jumpin', leanin', hoppin'
That prance is eye-poppin',
Look at her style and grace
When she keeps her paceShe's dancin', she's prancin'
She's d-d-d-d-dancin'
She's the cat swingin', all that jazz
The girl got frigidity feet [x2]Yeah, she's so fond of the Lenny Hop
The girl with the purdy grin
She won't even stop if you call the cops
Sally, she's got 'em prancin' in, now
She's pickin', side-flippin'
Hair flicks with fast spinnin'
Claps her hands to the bumpin' beat
Now watch that girl, hip to hipSo come on Hap Cats in the house
Shake your feet, and separate out
Move together, so come on Hap Cats
Move togetherSo come on Hap Cats in the house
Shake your feet, and separate out
Move together, feel the treat
Now feed me, daddy, we need to eat[Instrumental]She's dancin', she's prancin'
She's d-d-d-d-dancin'
She's the cat swingin', all that jazz
The girl got frigidity feet
She's dancin', she's prancin'
She's d-d-d-d-dancin'[Instrumental]Move together, so come on Hap Cats
Move together
Move together, so come on Hap Cats
Move togetherMove togetherSo come on Hap Cats in the house
Shake your feet, and separate out
Move together, feel the treat
Now feed me, daddy, we need to eatMove together, move together
So come one Hap Cats, move together

Move togetherThank you.
