Show Some Emotion

CÃ©line Dion

I've tried my best for so long
To break down these walls
But you build them strong
So I stand here waiting, wondering why
Oh why

Why you don't give a little bit
Break down and give a little bit, yeah

Show some emotion
Open, open your heart
Set free an ocean
Only a feeling can save us now

You say you've been hurt
But you're not alone
As you race through this life, what you
Keep to yourself
Can turn you to stone
All it would take is one kind word
To be heard

Come on and give a little bit
Try to forgive a little bit, yeah

Show some emotion
Open, open your heart
Set free an ocean
Only a feeling can save us now

Show some emotion
Open, open your heart
Set free an ocean (set free baby)
Only a feeling can save us now, yeah

Show some emotion
Open, open your heart
Yeah, set free an ocean
Only a feeling can save, save us now
