Moment Of Weakness

Matt White

Hey I know you're mad at me
I'm on my knees and begging please
Just stay with meTemptation's there and made me weak
I didn't think you cared for me
Like the way you doSo please understand
And give me one more chance'Cause I don't know what I did that night
It was a moment of weakness
I hope that we can be alive
It's just a moment of weaknessWasted [Incomprehensible] on the things
I drank too much and really think
This is a bad dreamPeople make mistakes, you need to know
Why can't you let it go?
Like I want you to goSo please understand
And give me one more chance'Cause I don't know what I did that night
It was a moment of weakness
I hope that we will be alive
It's just a moment of weaknessDo you hear what I'm saying? Ooh
It didn't mean a thing, I know you're rightOh, why was a moment of weakness again?
I just need some forgiveness
Now won't you help me get through this now?
It's just a moment of weaknessIt was my moment of weakness
I just need some forgiveness from you
Oh, oh, oh, ohOh, just a moment of weakness
Oh, just a moment of weakness
