

Guitar String / Wedding Ring

Carly Rae Jepsen

You were here
And then you left
Now theres nobody nobody
Now theyre all just second best
Theres nobody nobody
So if you want me
Ill be around
Youre a bird in the water
Im a fish on the ground
Just hold me closer
Oh wont you hold me down tonight
But if you cut a piece of guitar string
I would wear it like its a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar string
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
When youre near
I feel the best
Im somebody somebody
Its in my pulse
Its in my chest
My whole body whole body
So if you want me
Ill be around
Youre a bird in the water
Im a fish on the ground
Just hold me closer
Oh wont you hold me down tonight
But if you cut a piece of guitar string
I would wear it like its a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings

If you cut a piece of guitar string
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
You're in the country
And I'm in the town
You're a bird in the water
I'm a fish on the ground
And I wanna be there
For you tonight
And I hope you hear me
Baby hold on tight
Hold on tight
Yeah

If you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
If you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar string
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
