Enough

BarlowGirl

All of You is more than enough for all of me
For every thirst and every need
You satisfy me with Your love
And all I have in You is more than enoughYou are my supply, my breath of life
Still more awesome than I know
You are my reward worth living for
Still more awesome than I knowAll of You is more than enough for all of me
For every thirst and every need
You satisfy me with Your love
And all I have in You is more than enoughYou're my sacrifice of greatest price
Still more awesome than I know
You're my coming king, You're everything
Still more awesome than I knowAll of You is more than enough for all of me
For every thirst and every need
You satisfy me with Your love
And all I have in You is more than enough
