

You're Breaking My Heart

Robert Goulet

You're breaking my heart 'cause you're leaving
You've fallen for somebody new
It isn't too easy believing
You'd leave after all we've been through
It's breaking my heart to remember
The dreams we depended upon
You're leaving a slow dying ember
I'll miss you, my love, when you're gone
I wish you joy, though teardrops burn
But if some day you should want to return
Please hurry back and we'll make a new start, dear
Till then you're breaking my heart
I wish you joy, though teardrops burn
But if some day you should want to return
Please hurry back and we'll make a new start, dear
Till then you're breaking my heart
