Good Intentions

The Chainsmokers

I got something to say
A confession of me
I've been led astray
Tried so hard to change
But I'm set on my ways
My words mean nothing againI promised I'd be good
But I can't help myself from these temptations
When they come, there's nothing I can do
I promised I'd be good
The road to Hell is paved with good intentions
So when I fall, I will fall to youI promised I'd be good
I promised I'd be goodI just couldn't resist
It was the moment of bliss
I know it's hard to forgive
It's too late for changes
All this time I've wasted
Words mean nothing, nothing againI promised I'd be good
The road to Hell is paved with good intentions
So when I fall, I will fall to youI promised I'd be good
I promised I'd be goodBut I can't help myself from these temptations
When they come, there's nothing I can do
I promised I'd be good
The road to Hell is paved with good intentions
So when I fall, I will fall to youI promised I'd be good
But I can't help myself from these temptations
When they come, there's nothing I can do
I promised I'd be good
The road to Hell is paved with good intentions
So when I fall, I will fall to you
