

Valium In The Sunshine

Maps

You make me
So good to be around
Feeling like you should
Won't get you down I've been crawling
Through the morning
Soporific, never lazy
Mind's elsewhere
But I ain't crazy Faultless every time, receive the sun
It's coming on impassive states collide
She is the one who keeps me calm You make me
So good to be around
Feeling like you should
Won't get you down
In the system Hell, I missed them
L.A. was a messed up trip, yeah
Going back, I'll meet you all there Faultless every time, receive the sun
It's coming on impassive states collide
She is the one who keeps me calm
