Ed Rush, Optical & Fierce

And you can take this however you want
Yeah you can take this however you want
Don't be so so sure this is all it adds up to you
 You're justified
But there's no justice if it's just a lie
 No, go and find yourself
 You will if you look inside
 And I'll never know
 And you never will
 Still I'll never know
And you won't until someone stands up
 Then you'll get some answers
And you can take this however you want
Yeah, you can take this however you want
Just don't waste your breath unless you can save us
 And tell me can you?
 Can you save us?
 Can you save?
 Can you save us?
 This can't go on
Without the meaning in the rhyme
 Can you save?
 Can you save us?
 I can't go on
Out of rhythm with our time
 Can you save?
 Can you save us?
 I can't go on
Without the meaning in the rhyme
 Can you save?
 Can you save us?
 I can't go on
Out of rhythm with our time
Our days were numbered by nights on too many rooftops
 They said we're wasting our lives
Oh, at least we know that if we died we lived with passion
 They said we burned so bright
Our days were numbered by nights on too many rooftops
 They said we're wasting our lives

Oh, at least we know that if we died we lived with passion
They said we burned so bright
Our days were numbered by nights on too many rooftops
They said we're wasting our lives
Oh, at least we know that if we died we lived with passion
They said we burned so bright
[Inaudible]When what you want is what you're getting
When what you want is what you're getting
They're catching onto us
When what you want is what you're getting
They're catching onto us
When what you want is what you're getting
They're catching onto us
When what you want is what you're getting
They're catching onto us
When what you want is what you're getting
They're catching onto us
[Inaudible]We know there's an answer
We know by going home we'll find it by ourselves
We know there's an answer
We know by going home we'll find it by ourselves
