

# Lunatic Fringe

## Red Rider

Lunatic fringe  
I know you're out there  
You're in hiding  
And you hold your meetingsI can hear you coming  
We know what you're after  
We're wise to you this time  
We won't let you kill the laughterLunatic fringe  
In the twilight's last gleaming  
This is open season  
But you won't get too far'Cause you gotta blame someone  
For your own confusion  
But I'm on guard this time  
Against your final solutionWe can hear you coming  
No you're not going to win this time  
We can hear the footsteps  
Out along the walkwayLunatic fringe  
We all know you're out there  
Can you feel the resistance?  
Can you feel the thunder?
