

You Are the Wilderness

Voxhaul Broadcast

Stood at the edge of the valley
Looked at the ground below
Oh I was surrounded
There's no where left to go
I heard the wind chime beneath my feet
I felt the earth shake inside me
I run forever but I won't get far
Cause if I don't have you I will starve There's a wolf in my heart
There's a wolf in my heart, for you
There's a wolf in my heart
There's a wolf in my heart, for you
There's a wolf in my heart
There's a wolf in my heart, for you
For you, for you Oh was it cold desperation
There let fire go out
Oh was it cold desperation
Cause I let it burn for miles
I am an animal for what I need
You are the wilderness inside me
I run forever but I won't get far
Cause if I don't have you I will starve You are the wilderness
You are the wilderness
You are the wilderness
You are the, You are the one
You are the one
