## Conga

## Gloria Estefan

Come on, shake your body baby, do the conga

I know you can't control yourself any longer

Come on, shake your body baby, do the conga

I know you can't control yourself any longerCome on, shake your body baby, do the conga

I know you can't control yourself any longer

Feel the rhythm of the music getting stronger

Don't you fight it 'til you tried it, do the conga beatEverybody gather 'round now

Let your body feel the heat

Don't you worry if you can't dance

Let the music move your feetIt's the rhythm of the island

And like sugarcane so sweet

If you want to do the conga

You've got to listen to the beatCome on, shake your body baby, do the conga

I know you can't control yourself any longer

Feel the rhythm of the music getting stronger

Don't you fight it 'til you tried it, do the conga beatFeel the fire of desire

As you dance the night away

'Cause tonight we're gonna party

'Til we see the break of dayBetter get yourself together

And hold on to what you've got

Once the music hits your system

There's no way you're gonna stopCome on, shake your body baby, do the conga

I know you can't control yourself any longer

Feel the rhythm of the music getting stronger

Don't you fight it 'til you tried it, do the conga beatCome on, shake your body baby, do the conga

I know you can't control yourself any longer

Feel the rhythm of the music getting stronger

Don't you fight it 'til you tried it, do the conga beatCome on, shake your body baby, do the conga

I know you can't control yourself any longer

Feel the rhythm of the music getting stronger

Don't you fight it 'til you tried it, do the conga beatCome on, shake your body baby, do the conga
