

# Separate Lives (With Stephen Bishop)

Rumer

You called me from the room in your hotel  
All full of romance  
For someone that you met  
Telling me how sorry you were  
Leaving so soon  
And that you miss me sometimes  
When you're alone in your room  
Do I feel lonely too? You have no right to ask me how I feel  
You have no right to speak to me so kind  
I can't go on holding onto ties  
Now that we're living separate lives I held on to let you go  
And if you lost your love for me  
You never let it show  
There was no way to compromise  
So now we're living separate lives Oh, it's so typical  
Love leads to isolation  
So you build that wall  
And you make it stronger You have no right to ask me how I feel  
You have no right to speak to me so kind  
Someday I might  
Find myself looking in your eyes  
But for now we'll go on living  
Separate lives Yes, for now we'll go on living  
Separate lives
