Your Word is Everlasting

Saddleback Worship

Your Word is Everlasting

Verse 1
From beginning to the end
All You've done and all You've said
It won't change fade away
It is mine in all I face

Pre Chorus
I hear the sound of Your whisper
You speak I'm filled with wonder
Your voice is pulling me closer
Pulling me closer to say that

Chorus
You will never stop chasing me
You are faithful in everything You do
The promise You made You'll keep
Your word is everlasting

Verse 2
Every season I will claim
All the power of Your name
What You've spoken over me
You are faithful to complete

Bridge
Stronger than any fear that grips me
Greater than any adversary
Sharper than any sword against me
Your word is everlasting
